The “To Do” List Pre-Tan

- Exfoliating is suggested, but not necessary before tanning (no oil-based product)
- Moisturizer can be applied prior to tanning (no oil-based product)
- Wear loose fitted clothing and appropriate shoes for after services are complete
- Option to wear garments during Spray Tan
(swimwear or underwear is suggested for individual's comfort)

The “To Do” List Post-Tan Maintenance

- Do NOT shower for 6-8 hours post Spray Tan
- Do NOT exercise post Spray Tan (prior to showering)
- Upon showering, it is normal to see initial bronzer (makeup) rinse off
- Chlorine and salt water may fade tan faster than normal 7-10 day period
- Avoid excessive exfoliating
- Apply Body Care Products to Support Healthy Skin and Long Lasting Tan
(available retail line)
